

Why

Interaction in human groups is the foundation of modern society.

This issue deals with the basic elements on the ways of interacting: collaboration, role recognition and social hierarchy, conflicts, achieving individual and group goals. The management of balancing relationships. This topic's examples are: team building and problem solving.

JTC's leadership approach is arranged for: entrepreneurs, managers and all people who deal with teams with supervising role.

JTC School courses are designed for those who deem useful to:

- understand the social dynamics of the interaction of a group;
- understand the methods and techniques for improving their social interaction;
- getting the best results from the team they belong to.

How

This method entails:

- in-depth examination of the available knowledge base;
- learning the most effective techniques;
- interacting with the teacher and other participants;
- direct experience.

After

Thanks to training in this area, it will be possible to:

- radically improve group performance;
- interact with the group in a balanced manner;
- build high-performance workgroups.

Through its founder, JTC school has been dealing with personal development for over 10 years.

Its main goal is to transfer an array of skills and stimulate the development of abilities essential to the improvement of personal characteristics in social relations.

Experience, skill, talent and a natural propensity to human relationships are the key elements for achieving excellent personal and professional results.

Together with group dynamics issues we care about: communication - public speaking - negotiation techniques and leadership.

The JTC School team is available to support the construction of a training program specific to individual needs. The possibility consists in aggregating programs and/or topics of different issues in order to create a path suitable to support personal and professional growth directed to specific personal needs.

The JTC School team is willing to organize courses for personal development, in the business field, working as a coach for high seniority professionals (Executives, Top Managers and Entrepreneurs).

A wide range of solutions designed for corporate HR development have been specifically engineered.

Each course was designed based on the extensive experience gained in heterogeneous contexts. A feature common to all issues is the strong experiential component, essential for proper learning and subsequent use on behalf of the admitted participants, each of which will receive an individual follow-up session aimed at transferring what was learned, in actual fact, to the specific personal and/or professional sphere.

if you want to:

communicate more effectively
increase the ability to influence others
get more from the people with whom you relate
obtain a radical change
