

# Personalized courses

Forming oneself is the greatest return investment that may exist.

The JTC School team is available to support the construction of a training program specific to individual needs

The possibility consists in aggregating programs and/or topics of different issues in order to create a path suitable to support personal and professional growth directed to specific personal needs.

## Why

**Undertaking a personalized training program is useful for those who:**

- want to give their careers a strong "boost";
- wish to achieve a significant professional change;
- intend dealing with a generational shift.

## How

**The method includes:**

- a detailed analysis of training requirements;
- the definition of issues and useful topics;
- the attendance of several programs and experiential workshops.

## After

**At the end of the course, the participant will have:**

- acquired a new set of skills and abilities;
- a set of tools with which to achieve the desired professional change;
- a greater awareness of his/her personal resources.

The organizational flexibility, combined with the willingness of teachers and the whole staff, make this service very efficient for the satisfaction of the customer.

In order to personalize and maximize training' effects, all trainee will have an individual follow up meeting with the trainer within 15/30 days from the end of the program.

Given the high personalization of each course and the resulting complications, its conduction may lead to a more or less long timescale (up to 12 months).

If you like to go more in detail in starting a personal development training program, contact us: **segreteria@jtc-school.com**

Through its founder, JTC school has been dealing with personal development for over 10 years.

Its main goal is to transfer an array of skills and stimulate the development of abilities essential to the improvement of personal characteristics in social relations.

**Experience, skill**, talent and a **natural propensity** to human relationships are the key elements for achieving excellent personal and professional results.

JTC School cares about: public speaking - negotiation techniques - leadership and group dynamics.

The JTC School team is available to support the construction of a training program specific to individual needs. The possibility consists in aggregating programs and/or topics of different issues in order to create a path suitable to support personal and professional growth directed to specific personal needs.

A wide range of solutions designed for corporate HR development have been specifically engineered

Each course was designed based on the extensive experience gained in heterogeneous contexts. A feature common to all issues is the strong experiential component, essential for proper learning and subsequent use on behalf of the admitted participants, each of which will receive an individual follow-up session aimed at transferring what was learned, in actual fact, to the specific personal and/or professional sphere.

if you want to:

**communicate more effectively**  
**increase the ability to influence others**  
**get more from the people with whom you relate**  
**obtain a radical change**
