Through its founder, JTC school has been dealing with personal development for over 10 years.

Its main goal is to transfer an array of skills and stimulate the development of abilities essential to the improvement of personal characteristics in social relations.

**Experience, skill, talent** and a natural propensity to human relationships are the key elements for achieving excellent personal and professional results.

Together with public speaking we care about: communication - negotiation techniques - leadership and group dynamics.

The JTC School team is available to support the construction of a training program specific to individual needs. The possibility consists in aggregating programs and/or topics of different issues in order to create a path suitable to support personal and professional growth directed to specific personal needs.

The JTC School team is willing to organize courses for personal development, in the business field, working as a coach for high seniority professionals (Executives, Top Managers and Entrepreneurs).

A wide range of solutions designed for corporate HR development have been specifically engineered.

Each course was designed based on the extensive experience gained in heterogeneous contexts. A feature common to all issues is the strong experiential component, essential for proper learning and subsequent use on behalf of the admitted participants, each of which will receive an individual follow-up session aimed at transferring what was learned, in actual fact, to the specific personal and/or professional sphere.
